Members are limited to a single (1) Dock/buoy space at any one time. Dock/buoy space is reserved on a first come first serve basis.

Anchorage is not permitted at any time in any areas that would impact vessels tied up to the RCC-owned moorage.

## Seasons

- Launch ramp is available year-round

## Member Use

Moorage is capped at 120 use days in any 12-month period. Members and guests may be gifted and assigned a maximum of 14 free days per fiscal year from another Member in good standing who chooses to forego their rightful use of allocated days. Once the total free days per lot and gifted days have been exhausted, the member or guest will be charged per the Current Fee Schedule on a space available basis.

## Responsibility

All dock/moorage/buoy and use of the Marina is at the Member's and guest's own risk. It is the sole responsibility of the Member and their guests to properly secure their vessels while moored at the marina. The RCC, Marina Host and RCC employees shall not be responsible for any damage and/or loss caused by vessels.
