The affixed checklist was developed as an aide for our members as they prepare to develop their building site or modify an existing home and property. The following guidelines will be your insurance that the Architectural Control Committee (ACC) will review your plans. These guidelines reflect the minimum standards set forth by our current Riviera Covenants and Bylaws. The ACC meetings are held on the first (1st) and third (3rd) Wednesdays of each month at 8:30 a.m. All plans and site fees must be submitted a minimum of one (1) week prior to the regularly scheduled meeting for placement on the meeting agenda.

THE ACC REVIEW PROCESS CAN TAKE UP TO THIRTY (30) DAYS. THE COMPLETION OF YOUR APPLICATION PACKET AND/OR IT'S ACCEPTANCE BY RIVIERA STAFF DOES NOT GUARANTEE FINAL APPROVAL BY THE RIVIERA ACC.

For questions about this information or site development guidelines, please contact ACC@RivieraClub.org or call the Riviera Office at 253-884-4093. You may return your completed application by dropping off at office or mailing to: Riviera Community Club, ATTENTION: ACC Committee, 11016 Country Club Drive, Anderson Island, WA 98303 or by email to: ACC@RivieraClub.org.

RIVIERA COMMUNITY CLUB ARCHITECTURAL REQUIREMENTS

Board of Trustees Approved - 07/28/07 (*Motion # 2007-07-06*)

Membership Approved: 09/29/2007 - Recorded with Pierce County: 02/06/2008 - Digital Update: 10/15/2021

The purpose of this policy is to supplement and clarify Architectural Requirements of Article VI of the CC&R's for new residential construction. The following will apply to all residences to be built or placed on any residential lot. This includes Mobile (grandfathered in only), Manufactured, Modular and Stick Built homes.

BUILDING RESTRICTIONS: See ARTICLE VI Section 6.05

Except portions of the real property used for recreational purposes or common service facilities by Riviera Community Club, no lot shall be used for any purpose other than single-family residential purposes. No dwelling, residence, outbuilding, fence, wall, building, pool or other structure shall be erected, altered, placed or maintained on any lot unless it shall comply with these restrictions, and the following:

1. Each residence shall be of permanent construction and have not less than one thousand (1,000) square feet of enclosed area devoted to living purposes with no less than eight hundred (800) square feet on the main floor.
2. The exteriors, including roof and walls, of all structures on a lot shall be constructed of new materials.
 - a. *The roof and exterior siding shall be of materials allowed by the Pierce County building code; provided, however, corrugated siding is not allowed. All materials shall be new. Please verify roofing materials with the ACC.*
 - b. *The eaves on all sides of the dwelling must have a depth of not less than 12 inches.*
 - c. *The roof of the dwelling must have at minimum a 4/12 pitch (rise over run in inches)*
3. The foundations for each residence shall be fully enclosed and constructed of concrete or cement block or other similar material approved by the Committee.
 - a. *The dwelling must be permanently anchored to a County approved concrete or masonry foundation.*
4. Any structure used for dwelling shall be equipped with sanitary plumbing facilities within the structure, fully connected to a septic tank system of sewage disposal, designed, located and constructed in accordance with the rules and regulation of, and its installation approved by the Pierce County Health Department and any other governmental agencies having jurisdiction, or to a public sewer system.

5. No structure may contain more than two stories above grade. The main floor shall contain at least 800 square feet of enclosed living area and overall square footage shall be no less than 1,000 square feet. Garage or carport facilities shall not exceed an area required for the parking and/or storage of three vehicles up to a maximum of 1,200 square feet.
6. Maximum **Height for All Structures**. No dwelling shall exceed 26 feet in height as measured from the highest point of the roof down to the top of the foundation (mud sill).
7. No foundation shall be higher than that required for architectural or engineering purposes.
8. All structures shall conform to the setback requirements as established by the resolutions, ordinances and regulations of the governmental authority having jurisdiction existing at the time of construction.
9. The front entrance of the dwelling must face the street *except* on Lake Front Lots and cul-de-sacs with finger parks. The entry must have a roof or overhang of at least 4-feet in width and 2-feet in depth.
10. The Master Electrical Box is to be mounted directly to the dwelling and not to a pole.
11. Dwelling must be declared as part of the Real Property and taxed accordingly.

FENCES AND WALLS

All fences and walls must conform with Pierce County Building Codes and are subject to the following additional ACC requirements:

1. Fences and walls shall not exceed six feet (6) in height as measured from the finished grade.
2. That portion of yard, which extends beyond the dwelling as it faces the frontage road, (mailing address) shall not be fully enclosed (a fence with a gate does not constitute a full enclosure). Only the side lot lines of this area may have walls or fences, which shall extend to no closer than 25 feet from the front property line.
 - a. Decorative fences such as picket or rail not exceeding 48" high, may be placed in front areas or adjacent to driveways or walks without ACC approval. Please ask ACC for their recommendations for fence materials and other deer deterrents prior to construction (or installation).
 - b. All fences facing golf course must be see through type.
3. A fence or wall adjacent to Lakes Josephine and Florence must be in compliance with Pierce County requirements.

4. If a fence or wall is dissimilar from side to side, what would normally be considered the finished side, shall face an adjoining property.
5. An illustrated plan, conforming to all governmental regulations must be submitted to the Committee prior to any installation and shall include, but not be limited to the following:
 - a. Purpose for request; privacy, deer, dogs, etc.
 - b. Indicate relationship to all 4-property lines, & any building within 50 ft.
 - c. Height
 - d. Type of material used
 - e. Type & color of finish, if any
 - f. Picket configuration or wire mesh opening, etc.
6. Aesthetics, privacy, light and air, shall be factors with the surrounding neighborhood.
7. Retaining walls, rockeries, and vehicle barriers, not exceeding 36" in height may be used in the landscaping of a lot. Walls of any height that support loads other than grade (dirt) may require a county building permit.
8. Please consult with ACC regarding alternate plans for electric fencing.

TREES AND OTHER VEGETATION

It is the desire of the Board of Trustees to encourage each property owner to retain as much natural or native vegetation as possible to protect the quality of water shed, wildlife habitat, and over-all aesthetics of the development.

IMPROVED LOTS: (Where documentation of permanent site development exists or plans have been submitted and are being considered for approval by the Architectural Control Committee)

After written application to the Architectural Control Committee, owner of record may remove any tree which in his/her judgment is in direct conflict with proposed driveways, structures, onsite sewage system, any other authorized use of a Riviera lot; or any tree which he/she feels is a hazard to life or property (only after statements in writing justifying such removal has been submitted to and approved by the Architectural Control Committee).

UNIMPROVED LOTS: (Where no documentation exists that permanent site development has been approved or is being considered for approval by the Architectural Control Committee)

General de-brushing, or cleanup with the use of motorized equipment requires prior authorization by the ACC (for perc holes) and Forestry for trees.

After written application to the ACC-Forestry Committee, owner of record may remove any tree, which in his/her judgment is dead, diseased, or is a hazard to life or property (only after statements in writing justifying such removal has been submitted to and approved by the Architectural Control Committee.)

No other removal of trees or vegetation is permitted unless in conjunction with the site development process, approved by the Architectural Control Committee.

***** The fine for illegally removed trees will be \$2,500.00 per tree*****

**Riviera Community Club
WATER USER AGREEMENT**

The undersigned, as owner of Lot _____, Lake Josephine Riviera Section No. _____, according to the plat therein recorded in Pierce County, Washington, agrees as follows:

1. The undersigned agrees to reimburse to Riviera the cost of installing water service (shut-off and meter) to the property, which shall include the hookup charge, plus the current cost of materials and labor, as a condition to connect to the water supply for such plat.
2. In consideration of Riviera Community Club, a Washington corporation, herein called the Company, shall furnish water for residential use to the property line of the above-described real property, the undersigned agrees to pay the Company the water rate, as established by the Company, within thirty (30) days after statements are rendered.
3. The Company may adopt such reasonable rules and regulations from time to time pertaining to the use of such water as the Company deems advisable and the undersigned shall comply therewith after notice has been given to the undersigned by mail addressed to the lot owner at the address as shown on the corporate records.
4. The Company shall not be liable to the undersigned or any person using water provided by the Company for any failure or interruption in providing service for reasons beyond its control.
5. The Company shall have the right to disconnect the water supply from the undersigned's property in the event the undersigned shall fail to pay any sum owed to the Company or to comply with the terms of this agreement or the Company's rules and regulations, in addition to any other rights it may have. No such disconnection shall relieve the undersigned from payment of accrued rates.
