as late as possible.”

Ashley Montagu

Letter from the President

Christopher Frye

Happy Holidays from your new Board of Trustees! We are an energetic group and we are committed to a high level of communication and openness. We plan to hold regular “town hall” meetings to allow for more participation than the monthly BOT meetings provide. We look forward to your joining the conversation.

One topic we will continue to address is amending the Governing Documents to allow electronic communication between the RCC and its Members. This has been a goal for many previous Boards. Because the original Governing Documents were written long before e-mail existed, the Riviera Community Club (RCC) must rely on paper documents and the US mail or similar ground delivery services for all essential communications with its Members. As an example, the production and distribution of the Annual Meeting packet to over 2,500 Members costs thousands of dollars more than if electronic communication was an option. Please participate in the dialogue about this important matter.

Your new Board together with management have highlighted several initiatives for the coming year such as:

- ✓ Improved Membership cards
- ✓ A partnership with a cellular provider to improve service
- ✓ Enhance Key Performance Indicators Report
- ✓ More detailed financial reporting
- ✓ An analysis of amenities

I also want to draw your attention to the *Good Neighbor Brochure* developed by management and staff. It is important that we live in a respectful and peaceful community. This brochure provides valuable information on how to build and maintain positive relations with neighbors. A kind word, a nod, a wave and smile go a long way with most people. If you and a fellow Member have a dispute, it is not the office who should be called. Instead, we want to remind you that you should **call 911** and report your issue or a concern. The sheriff's office wants you to **call 911**.

Everyone is here because of how beautiful this Island is. Our amenities and the quiet living on the Island are a welcome contrast to city life.

—Christopher Frye—

I am Arboreal

And so are you.

Arboreal is derived from the Latin word *arboreus*, meaning “of a tree.” Okay, so we don’t live *in* a tree but we live among trees and many of us came to the Island because of the trees.

Trees are our neighbors. No, WE are the neighbors of trees. They were here, we came and left, and the trees remain. In Alison Lurie’s 1947 poem “Trees being Neighbors” she writes:

*Trees, being neighbors all their lives,
Must take friends where chance planting gives
The seed soil learn to choose their loves
Within the changes of their leaves*

*Believe the botanist who loves
To tell how oak, beech, maple, lives
Each to take sun as the sun leaves
Grows in the space the next tree gives.*

Trees arrive through “chance planting” and “grow in the space the next tree gives.” Few of us are *chance planted* here and none of us build our homes in *the space the next tree gives*.

Trees have long supplied us with cover from the elements, as well as fuel for heating and cooking, fruits and nuts for eating, material for shelters. They are a source of security and wonder; a mystical retreat.

Mary Hrovat writes in the blog “3 Quarks Daily”:

The roof of Notre-Dame de Paris, lost in the fire of April 15, 2019, was nicknamed The Forest because it used to be one. It contained the wood of around 1300 oaks, which would have covered more than 52 acres. They were felled from 1160 to 1170, when they were likely several hundred years old. It has been estimated that there is no similar stand of oak trees anywhere on the planet today.

We find ourselves with a responsibility and an opportunity to save and savor our trees. Our Forestry Committee works within the limits of State and County regulations to minimize the elimination of trees by Members during property development and whenever a Member requests approval to remove a dangerous tree. In the last fiscal year our Forestry Committee aided many Members in tree removal and replanting. See the stats below:

Total Forestry permits issued: 43 (24 emergency)
Total Forestry permits closed: 39
Members have committed to replanting more than 100 trees

Many of our trees are sickly and will need felling. To speed regrowth, we encourage you to plant new trees. Join the Arbor Day Foundation and they will send you seedlings for a donation or buy them at a nursery.

Some say plants communicate.

So, talk or sing to your trees. If nothing else, give one a hug.

Your neighbors will enjoy the sight.

Business Office Hours
Monday-Friday
9am to 4pm

Please feel free to drop in for coffee or tea and a chat. I welcome you to bring your ideas, questions or concerns *any time.*

Simple Steps to Prevent Frozen Pipes

Take these simple steps to help prevent frozen pipes.

- Be sure to keep all water pipes, especially those close to outside walls, insulated with foam rubber or a heating cable.
- Keep cabinet doors open to allow air to circulate.
- Let faucets drip cold water, it is harder for a pipe to freeze even if there is a trickle of water flowing through it. To not waste water, you can collect the drops and reuse it, for cleaning or watering your Christmas tree.
- Before holiday travels, keep the temperature in your home above freezing and turn off all the water in your home.
- To winterize your outdoor faucets, place a cold weather cover over the faucets and make sure the cover is tightened securely.
- Most importantly, if your pipes do burst call your trusted plumber first.

Signs Your Pipes Are Frozen

There are several signs of frozen pipes to look out for including:

- Little or no water coming out of your faucets.
- Visible frost on the pipes.
- Foul odors coming from your drain or faucet.
- Unusually low water pressure.
- Knocking or banging sounds coming from the pipes.
- Strange-tasting water.
- Bulging or leaking pipes.
- Gurgling or bubbling sounds when you turn on the faucet or flush the toilet.

What To Do If Your Pipes Are Frozen

Do not panic if your pipes freeze, you may be more equipped than you think. Here are a few basic steps to handling frozen pipes:

- **Turn on the faucet:** Allows the faucet to drip even slightly can help prevent a pipe from bursting. An open faucet relieves the pressure buildup and in turn can prevent it from bursting.
- **Apply heat to the frozen area:** Slowly apply heat using a space heater or hair dryer, **DO NOT** use a propane torch as it can damage the pipe and create a fire risk. Apply heat source gradually remembering to keep the faucet on while heat is being applied. Do not stop heating until full water pressure is restored. When full water pressure is restored, leave the faucet running for a few minutes allowing the ice to completely clear from the line.
- **Check all remaining faucets:** One frozen pipe may mean others have become frozen as well and it is important to take care of all of them.

Any time you have questions or concerns regarding your water service, please don't hesitate to call
Bryanne Stenerson 253-884-4093.

RIVIERA LAKESHORE RESTAURANT

What are your plans for
New Year's Eve?

Join us at the Lakeshore for a
spectacular night to kick off 2024!
ALL AGES WELCOME!

Only a few games left in the season. Come out to support our Seattle Seahawks on game days - enjoy great food & great friends!

- 12/10 Seahawks @ 49ers 1:05pm
- 12/24 Seahawks @ Titans 10:00am
- 12/31 Seahawks vs Steelers 1:05pm
- 1/7 Seahawks @ Cardinals (time tba)

Plan your next birthday, anniversary or just a get-together with friends at the Lakeshore. Let us do the cooking for you!

In addition to our Riviera Email Blasts, we are now utilizing our RCC Facebook pages!

Search for us and 'like' to get up to date event information.

RIVIERA ANNUAL JR. GOLF TOURNAMENT

A big THANK YOU to Dan and Katherine Heltsley along with many other Riviera volunteers who put on The Riviera Junior Golf Tournament this summer.

There were over 16 junior golfers and it was a great day for all our island kids!

RIVIERA JUNIOR GOLF CAMPS

**J
R
G
O
L
F**

The Riviera was happy to host Junior Golf Camps this summer with Molly Miller, Riviera Member & LPGA Pro, who volunteered to teach our youth the game of Golf.

Camp focus was on rules of the game & golf etiquette. Skills taught were full swing, chipping and putting.

**THANK YOU TO MOLLY
AND ALL OUR JUNIOR GOLFERS!**

RIVIERA GOLF SHOP

Photo by Dan Morgan

Another great summer season has passed. The Riviera Golf course hosted more than 27 golf tournaments this year.

Jerry Bergman and Murry Stewart were the lucky drawing winners of the Men's & Women's Annual Golf Memberships.

Thank you to all our members and guests for coming out to play.

Also, a big thank you to all the Golf Shop staff that contributed to such a successful season!

Looking ahead at Golf Shop events for the 2023-2024 season:

January - Golf Basket Raffle - Drawing on January 31, 2024
\$5 per ticket or 6 for \$20

February - Super Bowl Weekend February 10th/11th
Golfers get a free Hot Dog

Sweetheart Valentine's Day - All women's merchandise 10% off
Gift Certificates available

March - Happy St. Patrick's Day March 15-17th - All green items 10% off
Easter Egg Hunt March 30/31st - Hunt for eggs on the course with prize coupons for: Coffee Mug, Logo Ball, 9/18 -Holes of Golf, Your choice Hat or Visor, Towel, 10-20% off Merchandise
New Jacket Raffle -Tickets sold March 1-31st - Drawing April 1, 2024

April - Spring into action - Get your Snow Bird Membership
Spring Fling Tourn - May 18th, 1pm - OPEN TO ALL!

May - Give the Gift of Golf for Mother's Day
All women's merchandise 15% off May 10-14th, 2024.

Winter Hours

Friday 11-3

Saturday 11-3 Sunday 10am-4pm

KID'S FISHING DERBY PINE LAKE 2023

Our Riviera Lakes Committee with the help of Dan Morgan and many other volunteers brought the Riviera Kid's Fishing Derby back to the Riviera on August 5th at Pine Lake. Over 30 kids aged 2 to 12 came out to this much beloved event.

Our Grand Prize winner was Kowan Norman and it was his first time ever fishing!

Look out for a Kid's Spring event next year!

Our Riviera Buildings crew relocated a finger park dock to add accessibility to Pine Lake for Derby Day and it is there to stay! The finger park will receive a replacement dock!

Thank you to Chief Bixler, for his donation of Ice Cream Truck Gift Certificates for some of our lucky winners!

RIVIERA COMMITTEE REPORT

A GREAT YEAR FOR RIVIERA COMMITTEES!

The Riviera Community Club has had an extremely successful year serving members and a large part of that work is done by hard-working volunteers who make up our committees. Without people stepping up and offering their time and service, we would not have the thriving community that we all enjoy every day.

ACC

The ACC has been busy this past year! In the past 12 months, more than 80 permits for projects were issued, including 18 for new site-development. Close to 60 permits received final approval, including nine new site-developments. Our permitting process to monitor PERC hole digging has been operating for a little more than a year, and the ability to track activity and the number of open holes has been extremely helpful and beneficial. Ideally, PERC holes that are no longer needed should not be left open, and we strongly encourage members to fill the holes or move forward with site-development. In response to member feedback, in an effort to make the ACC permitting process easier for members, the BOT, based on a recommendation from the ACC, has eliminated permit deposit fees that were attached to smaller projects such as fences, sheds, paint, roof repairs and replacements. A \$1500 permit deposit fee is still required for a new ACC site-development. Thanks to everyone who participated in the ACC process this year, and if you have a finished project with an open permit, please contact the office to close it. We're looking forward to another great year and continuing our commitment to provide the best service to membership.

FORESTRY

The Forestry Committee has had a very impactful and productive year, and the direction of the committee is extremely positive. The highlight of the year was the first ever "Riviera Forestry Fair" on Earth Day. This fun-filled family event featured displays and activities for all ages to celebrate nature and our environment. Thanks to those who attended, as well as committee members and others who volunteered their time to make the event a huge success! We're looking forward to another Earth Day event this Spring, and we'll continue to explore ways to educate and excite members about nature and our beautiful eco-system. The committee has also worked hard to make the permitting process as clear and efficient as possible for members who need to remove trees. One area in particular that the committee has excelled at is the response to emergency requests to remove dangerous trees that are an immediate threat to property and in some cases even life. Close to 75% of requests for permits are for the emergency removal of a tree(s) showing signs of death, disease, damage, and/or dangerous instability. While much attention has been given to improving the permitting process for members, the committee is proud of the renewed sense of love and appreciation for our surrounding natural beauty. The Riviera and the current BOT believe strongly in cultivating our beautiful surroundings and doing everything possible to promote healthy practices. For example, not all trees are healthy and make a productive contribution to the eco system and removal of *some* is necessary for the best health for *all*. When trees are removed with a permit in the Riviera, the member is encouraged to replant one native tree for every three removed. By increasing awareness, communication and education to membership, the committee is

thrilled to announce that in the past 12 months, members have committed to replanting more than 100 trees inside the Riviera!

LAKES

This past year also saw the return of the Riviera's Lakes Committee. The committee, made up of five volunteer members is focused on the health of our beautiful lakes: Lake Florence, Lake Josephine and Pine Lake. The group meets monthly to monitor shoreline conditions and update water quality, clarity, and temperature. Considerable time has also been spent helping with the monitoring and devising of a plan to deal with noxious weeds and excessive and potentially hazardous debris in the water, such as large fallen trees. The highlight of the summer came in August when the committee hosted a free Fishing Derby for kids at Pine Lake that was so successful, plans are already in the works for another event possibly in the Spring! Finally, the committee has recognized a problem with excessive dead vegetation, or "muck" collecting at the North and South entrance points of Lake Josephine. After extensive research, the committee made a successful proposal to the BOT recommending the installation of one Rigerio Bio Pod Health System. This is a chemical-free, non-invasive unit slightly larger than a 5-gallon bucket that is placed just under the water's surface and runs 24/7, 365 days a year on electricity. Once necessary permits are obtained, the system will initially be installed at the South end of Lake Josephine and closely monitored by the Lakes Committee as well as Riviera employees. After approximately four months of operating, results will be reported to the BOT and membership. The committee and the BOT are looking forward to seeing these results!

COMPLIANCE

Lastly, the Compliance Committee has met monthly and helped resolve a number of issues large and small throughout the Riviera. In an effort to improve awareness and promote safety, the committee is always trying to improve relations and communication with membership. There are countless success stories to celebrate during this past year, but the committee and the Riviera recognize that a number of situations require more time and attention to resolve. Finally, the committee would like to remind you that while an emergency is in progress, call 9-1-1. In the case of incidents that aren't as urgent and no longer in progress, the Pierce County Sheriff's office strongly encourages filing a report with the non-emergency contact number (253) 287-4455.

Thank you to everyone who helps
make the Riviera such an amazing place
to call home, we're lucky to have you
in our community!

With Dan Morgan – Trivia Master!

The Lakeshore on Monday Nights is the place to be! Trivia Night is a ton of fun and if you haven't come out to play you're missing out!!

Play single or in teams. Two rounds of 25 questions - themed nights such as Thanksgiving –Turkey Trivia, Country Music, and Christmas! It's free to play. The highest score from the combined rounds wins a Lakeshore Dessert and bragging rights for a week!

Mondays @ 6pm

Trivia nights are on hiatus for the holidays but will resume after the first of the year on January 8th, 2024.

Dine-in seating & take-out are open for regular service until 8pm!

American Legion Bingo at the Lakeshore Wednesdays ~ 5:00pm

Did you know?

Their purpose is to aid fellow veterans and to enhance the quality of life for all Anderson Island residents.

Through the generosity of their supporters, Post 265 has had significant impact by supporting local island charities and projects that make Anderson Island a better place to live.

**Post 265 was chartered by the
American Legion
Department of Washington in 2012**

Riviera Campground Cabins

Now that winter is here, and reservations have slowed down, this is a great time to get out of the house for a night or invite some guests out to the Island.

The winter rates for the cabins are:
\$50/night for Members
\$90/night for Guests

For more information go to rivieraclub.org.
Call the Business Office for reservations 253-884-4093.

It is that time of year again when it is getting dark earlier as daylight hours are shorter.

The AIFD and the Riviera Community Club recommend that you have visible address markers.

Many island homes are difficult to locate due to missing house numbers or addresses that are not visible...*especially at night.*

Please help us help you! Blue reflective address markers are available through the Anderson Island Pierce County #27 Fire Dept.

1 1 2 0 5

1
1
0
1
6
6

The AIFD provides these markers and will install them for you.

To defray costs for materials, donations are accepted.

You may choose a horizontal or vertical sign:
\$20 for a sign by itself, or \$25 mounted on a metal post.

Cash or checks are accepted.

To order: Download the pdf at <https://andersonislandfire.org> and bring in to the AIFD during business hours or drop in to fill out the order form there and have one ordered today!

Open M-F 8am-4pm (closed for the lunch hour)

Please call 253-884-4040 for more information.

The Riviera Community Club wishes you a
Joyful & Safe Holiday Season!

With the gathering of friends and family visiting the island for the Holiday Season, please remember to keep our roads clear of vehicles in case of an emergency.

Our AIFD First Responders must have access at all times.

Dan Morgan spoke with a Deputy Sheriff about safety, protecting our neighbors and property here in our community. Below is the advice given by the Deputy:

If you see something, say something!

-If something occurs like theft or vandalism, file a report with the Sheriff's Dept, don't just call 9-1-1.

-Let neighbors you trust know when you will be gone and vice-versa.

-Install lights, especially motion sensing lights, and cameras.

-Lock up your valuables and keep things out of sight.

-Start a neighborhood watch on your cul-de-sac or street. Exchange contact info to keep each other informed.

RIVIERA SUMMER PROJECTS

**This summer was a very productive season around the Riviera.
Too many projects to list but here are a few that were completed.**

Pape, Int'l partnered with our Lake Jo Water Dept for the water main replacement project on Country Club Drive/Place. This project was ongoing throughout the summer and is finished.

Thank you for your patience during this project while the streets were closed and utility services were in and out.

Golf & Grounds crew hard at work keeping flower beds beautiful.

Golf & Grounds crew repairing drainage on tee-box #4

Golf & Grounds laid new concrete pads for all of the new trash cans in all of the parks.

Playgrounds received new engineered wood fiber chips.

Maintenance & Buildings crew picking up oyster shells for the Bocce Court.

Also, of note - the tree stump on the Lakeshore deck has been cut down allowing for more seating.

Golf & Grounds purchased two new John Deere lawn mowers!

Tree falls at the Marina

Fortunately, Tanner Electric assumed responsibility since the limbs/tree were encroaching on the power lines.

This saved Riviera Members thousands of dollars!

**Thank You
Tanner Electric!**

COMMUNITY

Anderson Island Little Library Tour

Winter is a great time to curl up with a hot drink and a good book.

Did you know? Our little island has three Little Free Libraries!

Little libraries are a great way to reduce, reuse & recycle!

Also, because you never know what book you'll come home with, it's a great way to broaden your reading horizons.

Our mission is to be a catalyst for building community, inspiring readers, and expanding book access for all through a global network of Little Free Library book-exchange boxes.

In 2009, Todd Bol of Hudson, Wisconsin, built a model of a one room schoolhouse. It was a tribute to his mother; she was a teacher who loved to read. He filled it with books and put it on a post in his front yard. His neighbors and friends loved it, so he built several more and gave them away.

By 2010, the name Little Free Library was established and the purpose of these Little Free Library book exchanges became clear: to share good books, expand book access and bring communities together.

In 2012, the Little Free Library became a registered 501(c)(3) nonprofit organization which now includes 150,000 libraries in 120 countries across the world.

Thank you to our Riviera Members for sharing your Little Free Libraries with us!

THE RIVIERA BOCCÉ COURT IS OPEN!

(Located at Interlachen Park on the far side of the tennis courts)

THE RIVIERA IS EXCITED TO INTRODUCE THIS NEW AMENITY TO OUR MEMBERSHIP.

A big shout-out to our Riviera Buildings & Grounds crews who worked together on this fun project!

Bring your own gear or check out a Bocce set from the Business Office at no charge for 24 hours, or purchase a set for \$60 (when available.)

Office Hours

M-F 9am-4pm

253-884-4093

*Check-out requires valid photo i.d.

Fun Facts:

~Bocce is the third most popular sport in the world, following soccer & golf.

~Bocce in its current form was played as early as 264 B.C. in Rome.

~George Washington built a bocce court at Mount Vernon in the 1780s.
