Check-in is at 3:00pm and Check-out at 11:00am. Reservations are held until 6:00 PM on the arrival date unless arranged with the Camp Host. All Members and invited guests must be checked-in with the Campground Host and must sign a Campground Use Form available from either the Campground Host or the RCC Business Office (year-round).

Seasons The Campground seasons are as follows:

Tents – May 1 to September 30
RV/Trailer – Year Round
Park Models – Year Round

Campground Use by Members and their Guests

Members in *good standing* shall receive 14 free days per lot owned per fiscal year (October 1-September 30) for RV/trailer/tent camping spaces for themselves and/or their invited guests. Reservations are on a space-available basis. Park Models are excluded from the use of Member Free Days.

Members and/or guests may be gifted and assigned a maximum of 14-free days per fiscal year from another Member in *good standing* who chooses to forego their rightful use of allocated days. A Campground Free Day Assignment Form, available through the Campground Host or RCC Business Office, must be completed and signed by the Member and presented at check-in to secure transfer of the free days.

Once the total Member Free Days per lot and gifted days, if applicable, have been exhausted, the Member or guest will be charged per the Current Fee Schedule on a space available basis. Free days are tracked in the campground reservation system.

Reservations & Lengths of Stay

Only Members may make reservations for themselves and/or their guests and may do so via the online reservation system or by calling the RCC Business Office or Campground Host. Reservations may be made starting the first working day in January. Reservations are held until 6:00 PM on the arrival date unless arranged with the Camp Host. Unreserved spaces are available to Members and their invited guests on a first-come first-served basis.

Length of stay is capped at 14-day blocks per reservation. Stays beyond 28 days must be applied for and pre-approved by RCC Management or the Board of Trustees and can only be made through the RCC Business Office. The granting of extension requests is not guaranteed. The maximum number of camping days is 120 in any 12-month period in accordance with RCC Policy. This amenity serves as a campground versus a long-term residential RV park and therefore the 120-day maximum will be enforced.

THE RCC RESERVES THE RIGHT TO IMPLEMENT AND ENFORCE A SHORTER MAXIMUM STAY.

Changes and/or cancellations for RV/trailer/tent sites must be made a minimum of 72-hours in advance to avoid the reservation being charged against the Member's Free Days or the daily rate being charged for all days cancelled. Park Model cancellations must be made a minimum of 14-days in advance through the business office for a full refund.

Responsibilities

Use of the Campground facility is at the Member's and/or guests' own risk. It is the responsibility of Members and guests to properly secure their vehicles and belongings to discourage theft and wildlife incursions. Members are responsible for their guests and will be held liable for any damages, unpaid fees and/or fines incurred by guests.

The Campground Host or RCC Office must be notified before leaving a campsite unattended overnight. No campsite may be left unattended overnight for longer than three consecutive days.
