LUNCH AT THE LAKESHORE RESTAURANT

The Riviera Lakeshore Restaurant is now open for lunch from Monday through Thursday from noon to 3pm! We've created a limited lunch menu in order to prioritize convenience for those looking for a quick lunch option. This move was made in order to keep a lunch option available for members in the wake of the Anderson Island General Store and Cafe closing in February.

Monday Nights
6pm at the Riv

Join us Monday nights at the Lakeshore Riviera Restaurant for Riviera Trivia! We cover a wide range of topics including TV, Sports, History, Geography, Pop Culture , and more!

We do two rounds of 25 questions each, with a short break in between. The first round starts at 6pm and we usually go until about 7:30. It's free to play, and everyone is welcome, so come stop by and test your knowledge!

GOLF AND GROUNDS WINTER UPDATE

This Fall and Winter was a whirlwind of crazy weather. The golf & grounds crew did a great job staying on top of the extra clean up while still completing their daily job duties. Below are just a few projects that we have accomplished and some that are planned for the near future:

- ◇ **Fall Aerification on course was completed and Spring Aerification is scheduled for April 14th-17th (weather permitting).**
- ◇ **Removal of the Marina docks for winter.**
- ◇ **Grip strips were put on the Finger Park dock ramps to help decrease slipping.**
- ◇ **We started clearing areas at the Campground in order to put up split rail fencing this spring/summer.**
- ◇ **We had 3 dangerous trees (rotted out & ready to cause damage to residents or patrons) taken down on the course.**

Then came December... our BIG storm hit and several trees fell down on the course, in the parks and on the driving range. The tree on the #3 Tee box did quite a bit of damage to the turf along with the cart path. The crew worked quickly on getting the course in order for play and then moved on to the 4 trees at Pine Lake. We will continue moving forward on all projects as the weather permits. We do need the ground to firm up in many places in order for us to get our equipment to the job sites. I appreciate all of the crews hard work and each ones individual skills they bring. They help create the beautiful grounds we all get to enjoy.

Thank you!

Golf Course Superintendent
